## Summer Term in Nursery!

This term we continue to follow our interests, celebrate inclusion and diversity, and learn how to be a contributing member of the d'Auvergne family.

The good weather means that we have plenty of time to exercise, hunt for minibeasts and play group games such as football and parachute.

We remain on our journey of getting to know numbers from 0-5 through subitising, finding one more and one less, recognising the different numerals and putting them in the right order.

We consolidate the Read, Write, inc Set 1 sounds. We look at different objects in the environment that start with those sounds and attempt to learn how to write our names.

We are thinking about **changes**, looking forward to the transition ahead to Reception where we will meet our new teachers, spend time in our new classrooms and have a go at trying on the full d'Auvergne uniform in the Home Corner.
