

Beside the Seaside

This half term, our topic is 'Beside the Seaside' where we will embrace our beautiful island of Jersey and everything that lives in and around the sea.

Our story, The Lighthouse Keeper's Lunch is a hook to instigate ideas for some creative writing, developing a disgusting sandwich to keep those pesky seagulls away.

The children are now more confident writers, and they are using their skills to sound out words and forming sentences which can be read by themselves and others. We provide a high level of provision throughout the learning environment as well as multiple opportunities to talk and share experiences.

Maths is always around us in Reception and we will continue to explore number and numerical patterns, and getting to grips with word problems, using the skills we have learnt.

We continue to be curious about the world around us and as the weather is becoming warmer, we can now enjoy longer periods of time learning outdoors in the sunshine.
